INTO is excited to announce our 2021 Annual Rally to be held at the Farm Bureau Expo /J.E. Ward Agricultural Center in Lebanon, TN. This will have the distinction of being the first FMCA Area Rally in 2021 and the first in 15 months. The Rally officially opens the evening of Monday, April 19th and ends Friday morning, April 23rd.

The rally includes: 4 Nights Camping, Hot Dog Bash, Dance Party, Ice Cream Social, Vendors, 2 days Coffee & Donuts, Seminars, FMCA Benefits Update, Chapter Fair, 2 Nights Entertainment, Catered Breakfast, \$ Ladies Tea, Pet Parade, Chapter Evening, Card Bingo, INTO Membership Meeting, BBQ Contest, Picnic, Craft & Yard Sale and more.

Because we consider Chapters vital to the success of INTO and FMCA, we are including several opportunities specifically for the chapters.

On Tuesday, April 20th there is a Chapter Fair immediately following the First Timers Meeting. Your chapter can arrange to have a table at this event. Participation in the Chapter Fair helps expand your membership through recruiting new members from the rally attendees. If you are interested in registering for a table, contact Pat Weithofer at patkw48@gmail.com.

On Wednesday April 21st we have a time scheduled for chapter meetings. These meetings can take any form you desire. In the past such meetings have included a business meeting, a potluck, games, or a combination of activities.

In addition, to these events, we are also offering the Chapters the opportunity to hold a pre-rally. The pre rally arrival date is Saturday, April 17th, a day earlier than the scheduled early arrival day. This will offer the chapter two days to schedule their own events since the first rally activity is at 6 p.m. on Monday, April 19th. We have access to the fairgrounds buildings for the chapters to use during these days. These buildings will be assigned on a first come first served basis. The cost for a building is \$50 per day. For chapters that have 15 or more coaches the building fee will be waived. The chapter will be able to use the same building for the chapter meeting on Wednesday pending availability. The pre-rally daily cost per RV is \$25 for 30 amp and \$30 for 50 amp per day. If your chapter is interested in scheduling a pre-rally or would like additional information, please contact Bob Weithofer, Rally Master.

We have attached a rally registration. Please distribute this to your members and to other FMCA members. Early registration for those who desire 50 amp spots is important since there are a limited number of spaces.

We look forward to working with you to accommodate your Chapter's pre-rally. If that is not a possibility for your chapter, we look forward to seeing you and your chapter members at the rally.
