

# On the Road INTO Lebanon

## 2022 INTO AREA RALLY

Farm Bureau Expo Center/J.E. Ward  
Agricultural Center  
945 Baddour Parkway, Lebanon TN

**Monday May 23** (arrival) **to Saturday May 28** (departure)

**To: FMCA Chapter Officers**

**From: Paul Mitchell, National Vice Pres. International Area**

INTO is excited to announce our 2022 Annual Rally to be held at the Farm Bureau Expo /J.E. Ward Agricultural Center in Lebanon, TN. The Rally officially opens the evening of Monday, May 23rd and ends Saturday morning, May 28th.

The rally includes: 5 Nights Camping, Hot Dog Bash, Dance Party, Ice Cream Social, Vendors, 2 days Coffee & Donuts, Seminars, FMCA Benefits Update, Chapter Fair, 2 Nights Entertainment, Catered Breakfast, Ladies Tea, Pet Parade, Chapter Evening, Card Bingo, INTO Membership Meeting, BBQ Contest, Picnic, Craft & Yard Sale and more.

Because we consider Chapters vital to the success of INTO and FMCA, we are including several opportunities specifically for the chapters.

There is a Chapter Fair immediately following the First Timers Meeting. Your chapter can arrange to have a table at this event. Participation in the Chapter Fair helps expand your membership through recruiting new members from the rally attendees. If you are interested in registering for a table, contact Pat Weithofer at [patkw48@gmail.com](mailto:patkw48@gmail.com).

We have a time scheduled for chapter meetings. These meetings can take any form you desire. In the past such gatherings have included a business meeting, a potluck, games, or a combination of activities.

**In addition, to these events, we are also offering the Chapters the opportunity to hold a pre-rally.** The pre rally arrival date is Saturday, May 21st, a day earlier than the scheduled early arrival day. This will offer the chapter two days to schedule their own events since the first rally activity is at 6 p.m. on Monday, May 23rd. We have access to the fairgrounds buildings for the chapters to use during these days. The buildings will be assigned on a first-come-first-served basis. The cost for a building is \$50 per day. For chapters that have 15 or more coaches the building fee will be waived. The chapter will be able to use the same building for the chapter meeting on Wednesday pending availability. The pre-rally daily cost per RV is \$25 for 30 amp and \$30 for 50 amp per day.

We have also arranged for you to hold a Holiday Rally after the INTO Rally. It could begin at the close of the INTO Rally and extend through Monday May 30<sup>th</sup> with departure the morning of Tuesday May 31<sup>st</sup>. Some buildings will be available during this time for chapter use. The same costs and conditions apply to Holiday Rallies as apply to Pre-Rallies.

If your chapter is interested in scheduling a Chapter Meeting, Pre or Holiday Rally or would like additional information, please contact Bob Weithofer, Rally Master.

We are including a rally registration form. Please distribute this to your members and to other FMCA members. Early registration for those who desire a 50 amp spot is important since there are a limited number of spaces.

We look forward to working with you to accommodate your Chapter. We look forward to seeing you and your chapter members at the rally.
